1 of 1 people found the following review helpful. This book is a God-send!By CustomerOMG, how did I live without this book EVER! I gave it a once-through to see exactly how much of this book would be relevant to me. Nearly every other page was information I can, and now DO, use when I shop. It's very helpful, and allows me to make much better and informed decisions about what to buy and what to leave on the shelf.
