Josh Friedland : Eatymology: The Dictionary of Modern Gastronomy before purchasing it in order to gage whether or not it would be worth my time, and all praised Eatymology: The Dictionary of Modern Gastronomy:

0 of 0 people found the following review helpful. Dual use for meBy MonicaA great read for those who like to know the terminology used in the food world. As a College Completion Coach at a school offering culinary arts as a degree,

I found this to be interesting to me personally, and very useful professionally. 1 of 1 people found the following review helpful. Fun and informative read. By LLI wasn't expecting it to be as witty as it was. A friend recommended this book, and I really enjoyed the author's sense of humor. Learned a few interesting things along the way. 3 of 4 people found the following review helpful. Brilliant! Nicely bound. By Jacques Brilliant! Nicely bound, neatly presented, easy to digest, 2 pages at the time organized in alphabetical order filled with flavorful food for thoughts and thought provoking comments and observations. One doesn't have to read from cover to cover but simply savor random samplings, this book is hugely entertaining. I did pre-order 5 copies early Summer thinking that I could not go wrong using them as gifts for food and wine loving friends at dinner parties (yes they are all getting tired of my home made Terrines!), Those 5 copies were delivered today, I already consumed a quarter of my own copy, and I am going to order more, my friends will love it too.

Do you like your garlic Goodfellas thin? Have you ever been part of a carrotmob? Why are bartenders fat washing their spirits (and what does that even mean?) Eatymology demystifies the most fascinating new food words to emerge from today's professional kitchens, food science laboratories, pop culture, the Web, and more. With 100 definitions, illustrations, and fun food facts and statistics on everything from bistronomy to wine raves, Eatymology shows you why it's absolutely imperative to adopt a coffee name and what it means to be gastrosexual, and is the perfect gift for everyone from foodies to brocavores.
