Bennie Sparkman Stephen L. Herman : Electricity and Controls for HVAC-R: 6th (Sixfth) Edition before purchasing it in order to gage whether or not it would be worth my time, and all praised Electricity and Controls for HVAC-R: 6th (Sixfth) Edition:

2 of 2 people found the following review helpful. HVAC-R purchaseBy hosbonThe HVAC-R purchase I made was extremely useful in the diagnosis of electrical problems related to HVAC unit troubleshooting. The condition was very good and we intend to use this book for many years. Newer versions will be purchased as new units are designed and implemented. Thank you for making this useful tool available at a good used price.2 of 2 people found the following review helpful. Five StarsBy ignacio yepezThe book was great and it's was in excellence condition.0 of 0 people found the following review helpful. Five StarsBy Cindy Eastergood book
