0 of 0 people found the following review helpful. Sorry Jimi, folks save your moneyBy GITMKudos for a lot of work for Information every ELP fan knows already and is terribly incomplete. Wither the official bootleg series? We are talking 24 discs here alone. Wither the other well known official and bootlegs like live in Poland, the Brazil concerts, When Pigs Fly is amazing for the lucky man solo alone. I'll sell you mine.0 of 0 people found the following review helpful. Three StarsBy CustomerAverage

The Emerson, Lake Palmer: Unofficial Discography Essentials is your go-to reference for the legendary progressive rock super group ELP. This edition covers all of the ELP albums releases as well as explores their career. This serves

as an excellent citation source, reference guide, and coffee table book.
