I appreciate the sections for "speaking it out" and the journaling spots. I recommend this read!4 of 4 people found the following review helpful. An excellent short term devotionalBy CHassonThis devotional is very different from others I've read. It is aimed at how a person should be dealing with their current employment situation. Whether you are unemployed, underemployed or just want to bring the light of Jesus into your work, this 90 day devotional uses scripture based examples to help you recognize that God is your real employer. The devotional is broken down into weekly segments - thirteen weeks in all. Each week starts with an overview of the topic for the coming week. Then each day of the week has a scripture verse

and devotional on the week's topic, along with a section that encourages you to speak out and walk out what has been taught. Throughout the devotional, Ms. Rarden not only uses scripture, but incorporates quotes from well-known and well-respected writers, i.e J.I. Packer, A.W.Tozer, and C.S.Lewis, to aid in getting across the message. This devotional will also show you how to live and work in this world while bringing glory and honor to Jesus.3 of 3 people found the following review helpful.
