Bruce Anderson Dr., Annabelle Dolidon : En avant! Beginning French (Student Edition) - Standalone book
before purchasing it in order to gage whether or not it would be worth my time, and all praised En avant! Beginning French (Student Edition) - Standalone book:

2 of 2 people found the following review helpful. Four StarsBy EdogardoBossGood integration with kindle, making use of its features.0 of 7 people found the following review helpful. One StarBy Leidydid not work out for me1 of 1 people found the following review helpful. Great for college students who have online access to LearnetBy lisa andujarGreat if you are a college student who has access to the online learnet material! otherwise I would say get a book with online material so you can practice speaking the language rather than just reading it.

NOTE: This is a standalone Book.Students learn best when they are connecting- with authentic culture, with each other as a community, and with the language as used in real-world settings. En avant! sparks the curiosity that builds

these connections as students drive toward communicative and cultural confidence and proficiency in the introductory classroom. Below are the ASINS related to this title that come with access cards. 1259278859 is the access card standalone. 1259604861 is the book plus the access card. *Connect French, including but not limited to the workbook/lab manual, LearnSmart, the video program, and chat tools, is sold separately and does not come automatically with the purchase of the textbook.

About the Author Bruce Anderson is a Lecturer in French at The Johns Hopkins University (Baltimore, MD) where he teaches undergraduate courses on French language and culture. From 2002-2010 he served as the coordinator for beginning- and intermediate-level French courses at the University of California, Davis, where he additionally trained new graduate student instructors in foreign language pedagogy. He holds a Ph.D. in French Linguistics from Indiana University, Bloomington. His research on the acquisition of French as a second language has been published in Applied Linguistics, Second Language Research, and Studies in Second Language Acquisition, among other venues.
