Ten year old boy enjoys Encyclopedia Brown series By Rodney L. Schulz Jr. My son loves the Encyclopedia Brown series. He'll often read through the cases, try to figure things out on his own, double check himself with the solution, then read it again just to see how he could catch it

again. It is great for him and so I recommend this series and this book. 1 of 1 people found the following review helpful. My Opinion By Lisa Dee I think that Mr. Sobol has outdone himself in this volume of the Encyclopedia Brown series. I would recommend this book, and the rest of the Encyclopedia Brown series, to anyone who is looking for a children's version of Sherlock Holmes. HAPPY READING!!!! :D

Everyone's favorite kid sleuth is back to solve ten new confounding cases! Encyclopedia Brown returns, and with his uncanny knack for trivia, he helps solve mysteries for the neighborhood kids through his detective agency. But his dad is also the chief of the police department, and every night Encyclopedia Brown helps him solve his most puzzling crimes. Join Encyclopedia Brown here as he solves ten new and mysterious conundrums, including a case of stolen medallions, the secret of an old diary, a case of a shipwreck, and many more. And with the clues given in each case, readers can solve these mysteries too! I loved Encyclopedia Brown as a kid. Junot Diaz, Pulitzer Prize-winning author of *The Brief Wondrous Life of Oscar Wao*
