Worthy setting materialsBy saytrsamThis is a great setting supplement to the HarnWorld suite of materials.IT is worth getting these various setting materials.I am less apt to run games with the setting rules.They are complicated which may suit many players.However I like more simple game mechanics.

OLOKAND: The Royal Castle in Northwest Kaldor. ATLAS HARNICA: Olokand region in the Kingdom of Kaldor. MANOR: Manorial economics and fief management.
