Great setting materialBy saytrsamThis is a great setting supplement to the HarnWorld suite of materials.IT is worth getting these various setting materials.I am less apt to run games with the setting rules.They are complicated which may suit many players.However I like more simple game mechanics.

KIBAN - An emerging walled town in Kaldor; ATLAS HARNICA - Kiban region in the Kingdom of Kaldor;
GODSTONES - Those enigmatic Earthmaster monoliths.
