I love it for the typography. 23 of 23 people found the following review helpful. Advertising Tins Collectors Enjoy, Enjoy !! By Irvin Goodman Updated, 2nd edition of the beautiful guide offers 1400 full color, large, sharp photos. The 272 page library volume features beautiful laminated hard back covers. No duplicates from the previous edition. Contents include learning about tins, value, condition, age, tin makers, warehouse finds. Categories of tin collectibles range from automotive, contraceptive, cosmetic and hygenic, to phono needles, samples, typewriter and

watch parts. Estimated values are shown. A handy index covers over 6,600 items. Very interesting and informative book that advertising tin collectors are sure to enjoy.

Featuring over 1,400 full-color photographs, this book is much more than just a beautiful look at tins. It includes sizes, types, shapes, manufacturers, and current market values for every photograph featured. A complete index simplifies locating any tin. Plus there's great information on valuation, condition, age, care, and cleaning. The tins are divided into sections, such as automotive, cleaners, contraception, cosmetic, dental, guns, medical, fishing, sewing, polishes, samples, shaving, spices, soaps, and others. 1999 values. **AUTHORBIO:** David Zimmerman has collected advertising tins since 1978. His collection of tins is proudly displayed in his 1861 farm home. 'I won't collect anything I can't display,' he says. He lives in a small farming town just a few miles northeast of Cincinnati, Ohio. **REVIEW:** Preceding the hundreds of color photographs of advertising tins, this book gives information on manufacturers, samples, condition, value, and age of tins, as well as tips on care and cleaning of tins. There is even an informative section on warehouse finds.
