From Greenwood : Encyclopedia of African American Popular Culture [4 volumes] before purchasing it in order to gage whether or not it would be worth my time, and all praised Encyclopedia of African American Popular Culture [4 volumes]:

This four-volume encyclopedia contains compelling and comprehensive information on African American popular culture that will be valuable to high school students and undergraduates, college instructors, researchers, and general readers. Contains writings from 100 contributing authors, all identified in a separate listing Includes a chronology

placing pivotal events such as the beginning of black baseball, the modern Civil Rights Movement, and the Harlem Renaissance in historical context
Depicts key places, events, and people through photographs as well as words
Provides a list of black radio programs and movies

". . . it's hard to imagine a collection that wouldn't be strengthened by this significant resource." - School Library Journal
"The design of the book is top-notch. . . . The index is thorough and can easily lead a reader to the right articles. This set will be useful for African American and popular-culture collections in academic and large public libraries." - Booklist
"Whether for a student seeking biographical information on a specific African American or one needing ideas on a paper on popular culture, this set will prove useful. . . . Recommended for high school, college and public libraries." - Library Journal
"This reference book, which addresses multiple cultural influences rather than simply listing important people, could be a useful starting point for papers and projects on African American popular culture. Summing Up: Recommended. Lower- and upper-level undergraduates; general readers." - Choice
About the Author
Jessie Carney Smith is dean of the library and William and Camille Cosby Professor in the Humanities at Fisk University.
