**From Brand: Visible Ink Pr : Encyclopedia of Afterlife Beliefs and Phenomena** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Encyclopedia of Afterlife Beliefs and Phenomena:

0 of 0 people found the following review helpful. Same BookBy BJI haven't read through it all it yet, but I want to note that this seems to be the exact same book as The Encyclopedia of Death and The Afterlife, by the same author.0 of 1 people found the following review helpful. Four StarsBy Jay- OhOn time and as described7 of 7 people found the following review helpful. Best written, best organised, and most comprehensive guide!By OAKSHAMAN\_First of all the forward is written by Dr.Raymond Moody, and while a lot of "researchers" throw his name around carelessly, the good doctor is careful of the work that he actually endorses. This well organised and truly encyclopedic guide is clearly worthy of his endorsement. In over a decade of personal research, this is the best single reference work on death and the afterlife that I've found. All the entries are well written, professional, and scholarly. Indeed, just by

browsing through this thick volume you begin to see connections between subjects that may never have occurred to you before (such as between shamanism and the mystery religions.) The highest praise that I can give this book is that it contained a sizable amount of information that even I wasn't familiar with- definitely worth investing in for your library. After all, what subject is ultimately of greater importance?
