Dorothy T. Rainwater : Encyclopedia of American Silver Manufacturers (A Schiffer Book for Collectors) before purchasing it in order to gage whether or not it would be worth my time, and all praised Encyclopedia of American Silver Manufacturers (A Schiffer Book for Collectors):

2 of 2 people found the following review helpful. Purchased for a friendBy MegThis was purchased for a friend who goes to a lot of auctions. He's had it for a couple of weeks, and says he still hasn't figured out how to use it.2 of 2

people found the following review helpful. My wife purchased this book because we were consignment sellers on eBay. By Fly Fisherman My wife purchased this book because we were consignment sellers on eBay. It was used to place a value on stuff that we took in and the bidding took off from there. Hard for someone to value stuff without this kind of book. 1 of 1 people found the following review helpful. there are on line sights but I still enjoy looking pieces up in a book By Joe I use this book frequently, there are on line sights but I still enjoy looking pieces up in a book. There is no comparison.

With more than 2400 marks illustrated and brief histories and cross-references of more than 1600 manufacturers, this is the most comprehensive reference source on the subject. To compile the information presented here, the authors devoted much time over several decades researching numerous sources. These include various editions of Trademarks of the Jewelry Kindred Trades, U.S. Patent Office records, silver and jewelry catalogs of manufacturers, wholesalers and retailers, records of companies still in business, and pieces examined in antiques shops all over the country.

About the Author Dorothy Rainwater has a background rich in educational achievement and has published numerous articles and books in the field of collecting.
