Editors of Reader's Digest : Encyclopedia of Animals by Editors of Reader's Digest (1994-10-01) before purchasing it in order to gage whether or not it would be worth my time, and all praised Encyclopedia of Animals by Editors of Reader's Digest (1994-10-01):

4 of 5 people found the following review helpful. Very concise and comprehensive description of land animalsBy A CustomerThe Encyclopaedia of Animals: Mammals, Birds, Reptile, and Amphibians is a milestone in concise scientific, and current description of animal species. Any amature(or professional), could only benefit by having this book in there collection. It is a shame it is no longer in print after only been in circulation for only three years.
