From ROUTLEDGE : [(Encyclopedia of Chinese Film)] [Author: Yingjin Zhang] published on (February, 1999) before purchasing it in order to gage whether or not it would be worth my time, and all praised [(Encyclopedia of Chinese Film)] [Author: Yingjin Zhang] published on (February, 1999):

3 of 3 people found the following review helpful. Indispensible Reference for Chinese Film StudiesBy Mark PollardThis academic reference book includes six informative essays, an extensive bibliography, web site addresses, and indexes of titles, names and studios in addition to the hundreds of main entries. At less than 500 pages, this single volume title is hardly comprehensive, yet does provides valuable information on history, various films themselves, general topics, and people within the film industry. Due to the high price, I can only recommend this title to professionals and serious students of Chinese film. I do research for web-based and film distribution projects and I've found the book to be well worth the purchase.
