Judy Martin : Encyclopedia of Colored Pencil Techniques: A Comprehensive Step-by-step Directory of Key Techniques, with an Inspirational Galley Showing How before purchasing it in order to gage whether or not it would be worth my time, and all praised Encyclopedia of Colored Pencil Techniques: A Comprehensive Step-by-step Directory of Key Techniques, with an Inspirational Galley Showing How:

2 of 2 people found the following review helpful. Good StartBy thirdtwinIf your art classes have let you down in the past as far as teaching technique or the different mediums available or if you don't have time to take a class this book will give you some idea and grounding in how to use a colored pencil and what effects can be achieved. Worth a look.0 of 0 people found the following review helpful. Great guideBy Sandra CraditBought as a gift for artist friend. He loves it.0 of 0 people found the following review helpful. nt what i wantedBy jkempsimple to understand, to many art photos, not the info I was looking for.

Explains the basic characteristics and color ranges of the main kinds of colored pencils: hard, soft, and pastel varieties.

Offers step-by-step, visual demonstrations of each key technique—from blending, blocking in, and burnishing to graffito, stippling, and impressing—with more than 150 full-color illustrations. Includes an inspiring gallery of finished examples that show how professional artists make imaginative, dynamic use of techniques to interpret a wide range of subjects.
