pretty thorough for the time period that it covers. Highly recommended at Four Stars.1 of 1 people found the following review helpful. Most Treasured book in my collectionBy Austin BieglerAs the others have said, it's not "up to date". BUT: It is very thorough on the 25 years of stuff it does cover.0 of 0 people found the following review helpful. ok for some, just not for me.By abraham harlen jules raynot the best book in my opinion, but others might like it as it's a collection of facts regarding wonder woman!
