Denis Gifford : Encyclopedia of Comic Characters before purchasing it in order to gage whether or not it would be worth my time, and all praised Encyclopedia of Comic Characters:

0 of 0 people found the following review helpful. Great source of those long gone comic charatersBy ScearlsThis is a great book of those that are interested in the wide variety of comics and comic book characters. There were so many I learned about that I had never known even a little bit about. Mostly BW images but font is a great size to be readable.

Amazing collection of comic characters.
