I CANNOT BELIEVE HOW WELL I DID!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!By Kirsten JonesOk, I took the NCE in Feb 06 and just received my scores yesterday (more on that in a minute). I was so busy with work that I did not have a lot of time to study and people kept warning me that I wasn't studying enough. ALL I STUDIED was this book. I read through it once and then I went back through and outlined the key points/concepts on my computer. This took 5 days. That's all I studied. I was really worried because I kept getting 50-60% right on the online practice tests I was taking each morning. Well, long story short, I scored the highest of all the people who took the test with me that day (128) and I just can't believe it. Get this book. It explained concepts to me that I didn't quite understand in graduate school and really has made me a better counselor. KEEP IN MIND, that you will leave the test convinced you failed it. I was so sure I did horribly but if you study this guide, you will do well.0 of 0 people found the following review helpful. Good choice!By Nicola KareshSo easy to read. Love the way that the material is presented. Love Rosenthal's occasional touch of humour!2 of 2 people found the following review helpful. Get it NOW!!!By enthusiastIf you are taking the NCE buy this book! I cannot sing its praises enough. I passed the test by 30pts. Absolutely fabulous study guide. Best of Luck and happy testing!

In the third edition of Howard Rosenthal's best-selling test preparation guide for the National Counselor Examination (NCE), students get more help than ever with an expanded section on marriage and family counseling, new material on web counseling, and updated material throughout. This resource now includes over 1,050 tutorial questions/answers and a new "Final Review and Last Minute Super Review Boot Camp" section. This guide is an ideal review tool for state licensing, the NCC credential, and preparation for written and oral boards. And because the new Counselor Preparation Comprehensive Examination (CPCE), draws from the same subject areas, the Encyclopedia is a perfect study guide for the CPCE as well. Written in a unique question/answer format, with a quick reference index, this is also an essential student reference volume for use in any counseling, social work, or human services course.

About the AuthorHoward Rosenthal, Ed.D., CCMHC, LPC, MAC, NCC, is Professor and Coordinator of the Human Services program at St. Louis Community College at Florissant Valley, and the author of numerous successful publications on counseling, counselor training, test anxietyand test preparation.
