**David Alderton : Encyclopedia of Dogs** before purchasing it in order to gage whether or not it would be worth my time, and all praised Encyclopedia of Dogs:

1 of 1 people found the following review helpful. Great Encyclopedia!By CustomerI bought this for my 6-year old daughter who is crazy about dogs. She looks at the book daily. It has great photographs and breed descriptions. I wish it had a guide that rated the breed's health, grooming needs, suitability for children, exercise requirements,etc. That would make it easier for someone looking for a dog to narrow down their choices.Overall if a great reference if you are not using it to select your next dog.0 of 0 people found the following review helpful. she called and said she loved it.By Terrybought this book for a dog loving friend. she called and said she loved it....0 of 0 people found the following review helpful. Great service!By SandyinAnaheimFast shipping and book as described. Thank you.
