Musia (editor) Soper : Encyclopedia of European Cooking before purchasing it in order to gage whether or not it would be worth my time, and all praised Encyclopedia of European Cooking:

2 of 2 people found the following review helpful. Encylopedia of European CookingBy EmilyThis is a wonderful book. Having grown up in an ethnic area, I have had the great experience of eating wonderful food. Now I can duplicate some of those recipes that I enjoyed because of this book. If you can name the country of Europe, there are recipes for it. Do NOT pass this book up! I treasure mine!

Fine dining cookbook with a lot of unique cooking recipes!
