There is some surprisingly nude images inside it that are artistically done but still not anything I want out where our younger ones can browse it unknowingly0 of 0 people found the following review helpful. an interesting and helpful book with easy to follow text and easy to understand hints on ...By Harold Bellan interesting and helpful book with easy to follow text and easy to understand hints on creating your own images. I highly recommend it.

First published in 1996, this A-Z features professional tips and step-by-step instructions for a variety of styles, from horror to heroic fantasy and creatures to characterisation. There are entries on all major tools and techniques, such as acrylics, airbrush, animation computer software, pen ink and explanations on how to apply each one.
